## FREE PSYCHOLOGICAL SUPPORT SERVICE

Organised by **Mediterranea Saving Humans**. See all information here.

<https://mediterraneaescue.org/news/sos-psicologico/>

The initiatives are carried out by adhering and scrupulously respecting all the regulations in force regarding the containment and prevention of **Covid 19** ordered by the competent authorities.

In these difficult months, some organisations have launched **important initiatives** to **support families, young people and all those in need**.

Here are those that respond to the most **urgent needs**, some implemented directly by us, others by local organisations that we value.

**Share** them with whoever you think may be in need and **support the people** who live in our same area.

## EMPLOYMENT RIGHTS DESK

For advice on national contracts, payroll and any information regarding jobs.
